Dear Guests,
we kindly ask for your help in protecting the precious turtles that nest on Rekawa Beach, as well as the surrounding nature. Please help us keep the beach clean and refrain from feeding the dogs, as this can negatively impact the local wildlife. The beach is closed to the public after 7pm to protect the sea turtles that come to the beach to nest.

Your support is vital in ensuring the safety and well-being of these incredible creatures, and we truly appreciate your understanding and cooperation!

Thank you for being a part of our efforts to protect Rekawa's natural beauty.
